SmithsBritten

a fresh approach to beautiful bathrooms

Welcome to the Fifth Edition of our Price Guide!

Introducing the new Smiths Briten Price Guide, a comprehensive retail price list with all the information you need to make orders easy from start to finish. Featuring all the products we supply from much-loved brands in one place, it guarantees finding what you're looking for will always be quick and efficient.

In addition to product codes, descriptions, and prices we have also added a handy 'Stock Status'. If the item is a 'Stocked Item' this means it's in our warehouse in Bolton and can be shipped the next day on our fleet of delivery vans or through our reliable courier network. Some other products may have longer lead times which means the stock is being stored at our second warehouse, or due to being a bespoke or configurable item. Please refer to the delivery schedule in your toolkit for exact delivery dates and times.

The price guide has been designed to complement the branded brochures available free of charge for retailers, to request copies of branded brochures from any of the suppliers on pages 4 - 5 please email marketing@smithsbriten.co.uk.
